Housing Interchange - This list is to convert from competition's housings (Eaton/Hydac/Pall/Paker/Schroeder/Stauff) to the best fit Western Filter housings. Once conversion is made, each application needs to be properly researched and sized per standard engineering practice.

Eaton / Vickers

Series	MAX GPM/Pressure	WF Series	MAX GPM/Pressure	NOTES
H022	120 / 200	W022	120 / 200	Fit Form Function - Element interchangeability
